

IT System Administrator

Part time (10h)

Complexity Science Hub, Vienna, Austria

€ 750 * gross per month

COMPLEXITY
SCIENCE
HUB
VIENNA

The **Complexity Science Hub Vienna** is a young research institution dedicated to gaining a deeper quantitative and predictive understanding of complex systems. We provide an exciting, creative environment free of bureaucratic constraints for open-minded visionaries who are brave enough to step out of mainstream science.

YOUR PROFILE:

Do you have formal education or experience in Linux system administration, network administration, and systems security? Do you have initiative to work and can collaborate with a diverse team of researchers? Ideally, a background in computer science or mathematics? Then you can expect a stimulating position in a dynamic, internationally-oriented, appreciative and open working environment.

RESPONSIBILITIES & DUTIES:

- Linux systems administration in a multi-user environment
 - User management and documentation
 - Systems maintenance and management of storage space
 - Software systems set up: database management and SQL knowledge is a plus
- Network administration
 - IP address management, VPN set up
 - Developing and implementing backup strategies
- Systems security
 - Firewall configuration
- Systems security maintenance and management of IT security issues
- Administration of IT systems for research data-handling including:
 - Building systems and security concepts for GDPR-compliant handling of research data
 - Software development in scripting languages, for example Bash, Python, or Ruby
 - Establishment / renting of required server and data-storage infrastructure

WE OFFER

A varied position in a dynamic, internationally oriented, appreciative and open working environment.

Min. salary of € 750 gross/month for 10 hours / week.

*Overpayment is possible depending on education, qualification and work experience.

APPLICATION

To apply, please submit your CV, a motivation letter as well as any additional material that helps us to understand that you are the right fit for this role to office@csh.ac.at until 15 August 2020 (further applications will be screened until the role has been filled). We especially encourage female candidates to apply. The CSH Vienna processes your personal data in accordance with the law. (<https://www.csh.ac.at/data-protection/>)
