

SCIENCE COMMUNICATOR

Full time or part time

Complexity Science Hub Wien

Salary starting with 2,600 € (based on experience)

COMPLEXITY
SCIENCE
HUB
VIENNA

The [Complexity Science Hub Vienna](#) is a young research institution dedicated to a deeper quantitative and predictive understanding of complex systems for the betterment of society. We provide an exciting, creative, bureaucracy-free environment for open-minded visionaries who want to make a change and are brave enough to step out of mainstream science.

To support and expand our global communication and knowledge transfer efforts, we are looking for a skilled

SCIENCE COMMUNICATOR

YOUR RESPONSIBILITIES

- Supporting our daily press and outreach work including press releases
- Creating popular science content, marketing, and informational materials about CSH research in various formats and for various channels and media (i.e., homepage, printed materials, social media, etc.)
- Coordinating PR activities with our member institutions and partners
- Reaching out to journalists abroad with research relevant to their interests
- Liaising with our in-house data visualization team

YOUR PROFILE

- Excellent written and spoken English; communication skills in German are a plus
- Experience in science communication
- Ability to communicate complex topics in a lively, easily understandable, and (ideally) humorous language
- Good news judgement and a sense for what makes a compelling story
- Working knowledge of WordPress, Photoshop, InDesign, or other image or film editing software
- Social media experience and proof-reading are a plus
- Established relationships with quality media, especially in English speaking countries, are an extra plus

If you are a self-confident, open, and creative person interested in a part-time or full-time position in Vienna, please send your application including recent examples of your work as well as your salary expectations to office@csh.ac.at (subject line Science Communicator; attn. Verena Ahne).

The CSH Vienna processes your personal data in accordance with the law (www.csh.ac.at/data-protection/).
